

LOOKING AT LIFE THROUGH ROSE-COLORED GLASSES

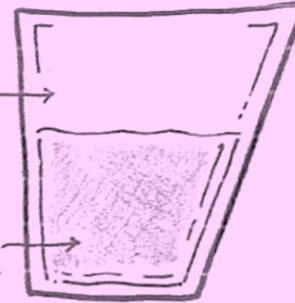

Expressions of Devotion and Idealism in Disciples' charts

B.L. Allison

pessimist:
glass half empty

optimist:
glass half full

psalmist:
"my cup runneth
over..."

Psalm 23:5

Cynic: an idealist whose rose-colored glasses have been removed, snapped in two and stomped into the ground.

quote from Rick Bayan

RAY SIX VIRTUES

➤ Special Virtues

- ✓ Devotion, reverence, love, tenderness
- ✓ Single-mindedness, loyalty
- ✓ Intuition

➤ Virtues to be Acquired

- ✓ Strength, self-sacrifice, truth, tolerance, serenity, balance
- ✓ This is the ray of devotion
 - ✓ The person is often full of religious impulses, of intense personal feeling
 - ✓ Everything is either perfect or intolerable, so balance is needed
 - ✓ The best type makes the saint, the worst type the bigot or fanatic

➤ Method of healing is faith and prayer; way of approaching the path is prayer and meditation.

Vehicles of the Soul

Mental Plane	Higher Mental	Causal Body	to evolve with	Ideals ----- Abstract Thoughts
	Lower Mental	Mental Body	to think with	Ideas ----- Concrete Thoughts
Astral Plane		Astral Body	to feel with	Emotions ----- Desires
Physical Plane		Physical Body	to act with	Sensorial Reactions ----- Actions

Ideals come from the causal body, our abstract thoughts . . .

. . . Ideas come from the lower mental body, our concrete thoughts.

*A thick veil of concrete thoughtforms
can distort the true interpretation, as
can astral intervention.*

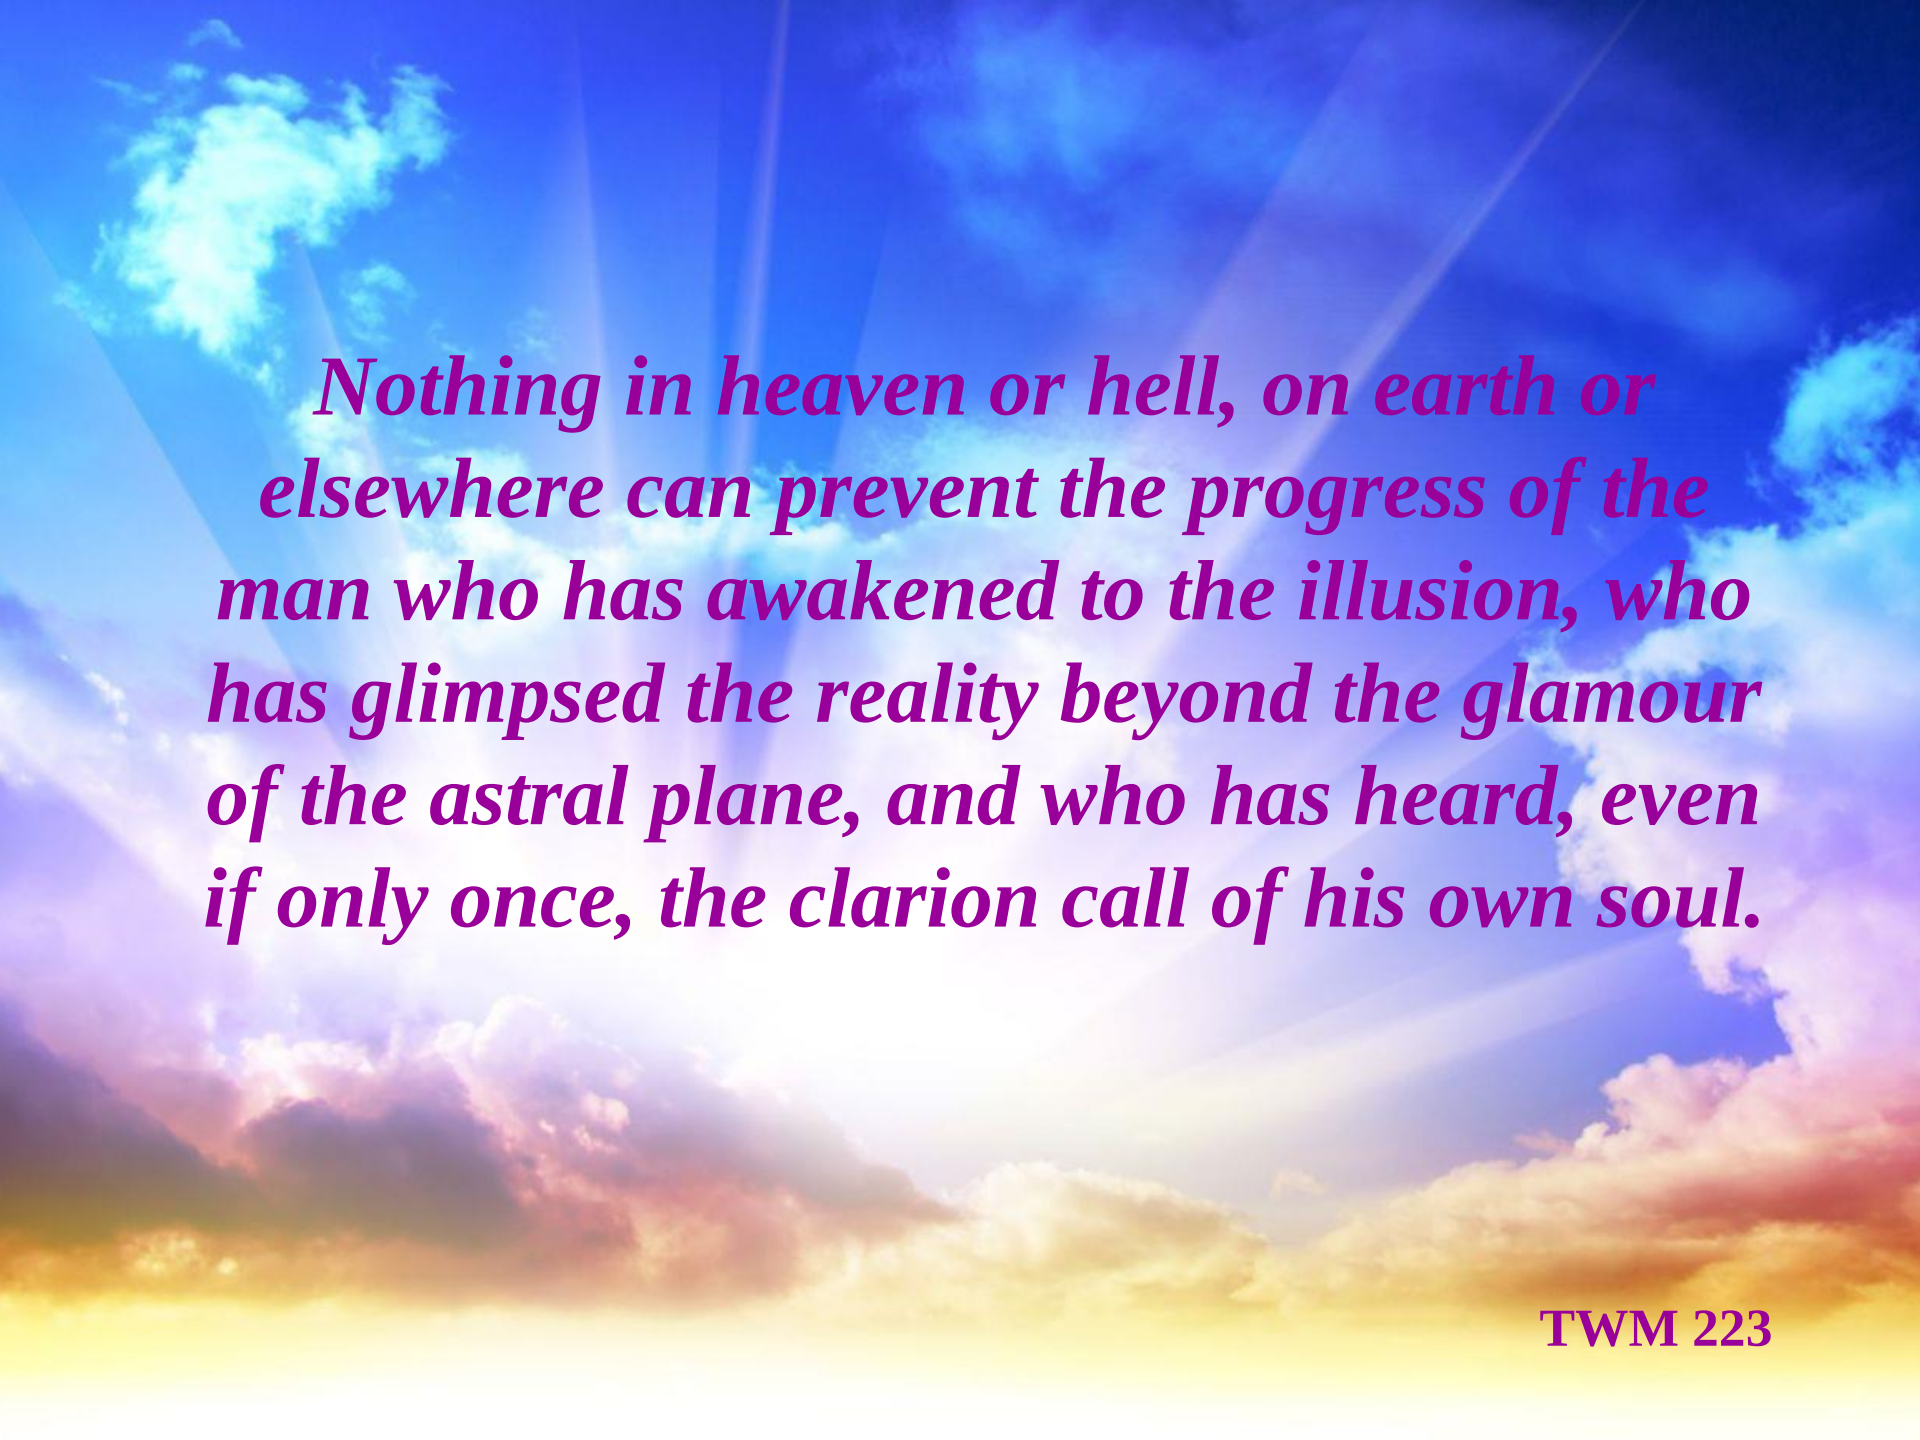

*The teaching upon the Path and the spiritual
impression can be interfered with by glamour
from the astral plane or by separative and
concrete ideas emanating from mental levels.*

RAY 6 GLAMORS

GWP p120-123

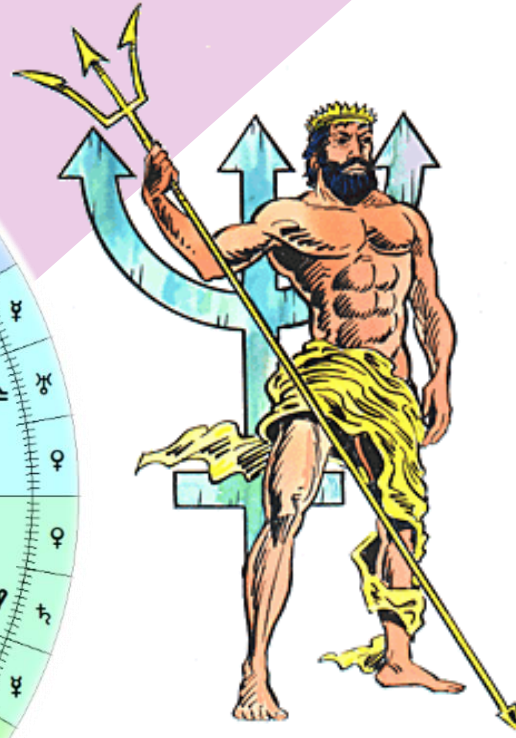

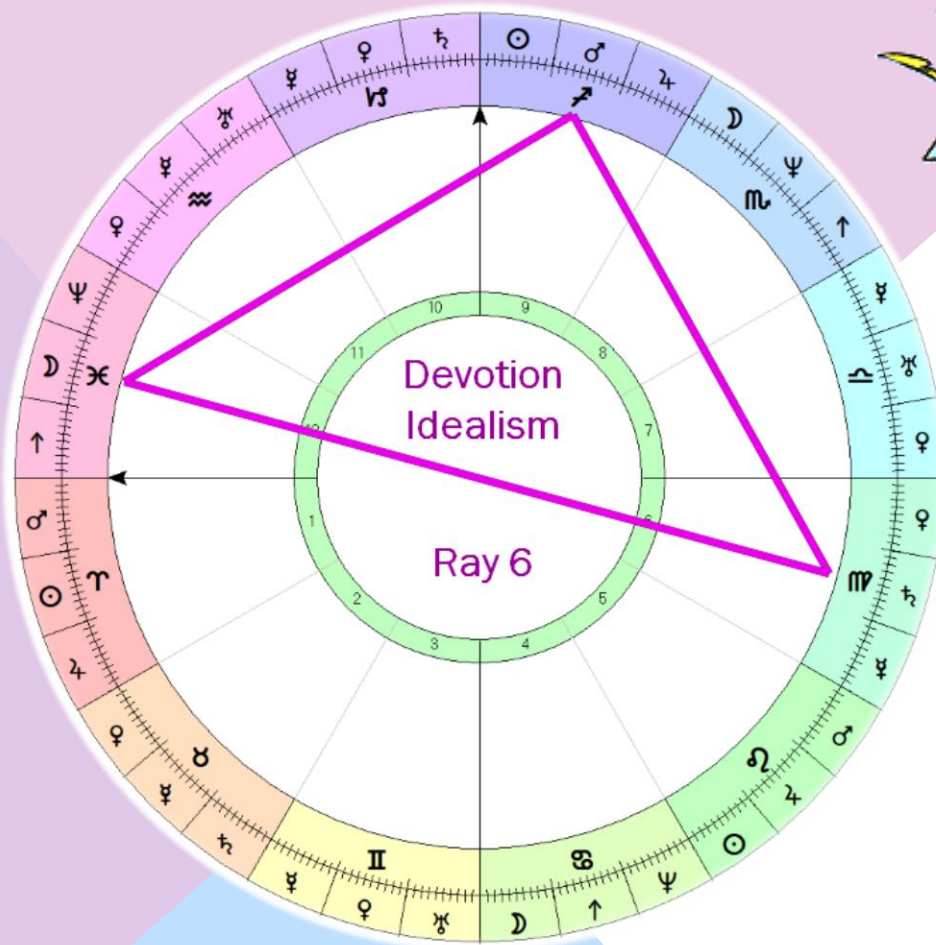

- The glamour of devotion.
- The glamour of adherence to forms and persons.
- The glamour of idealism.
- The glamour of loyalties, of creeds.
- The glamour of emotional response.
- The glamour of sentimentality.
- The glamour of interference.
- The glamour of the lower pairs of opposites.
- The glamour of World Savors and Teachers.
- The glamour of the narrow vision.
- The glamour of fanaticism.

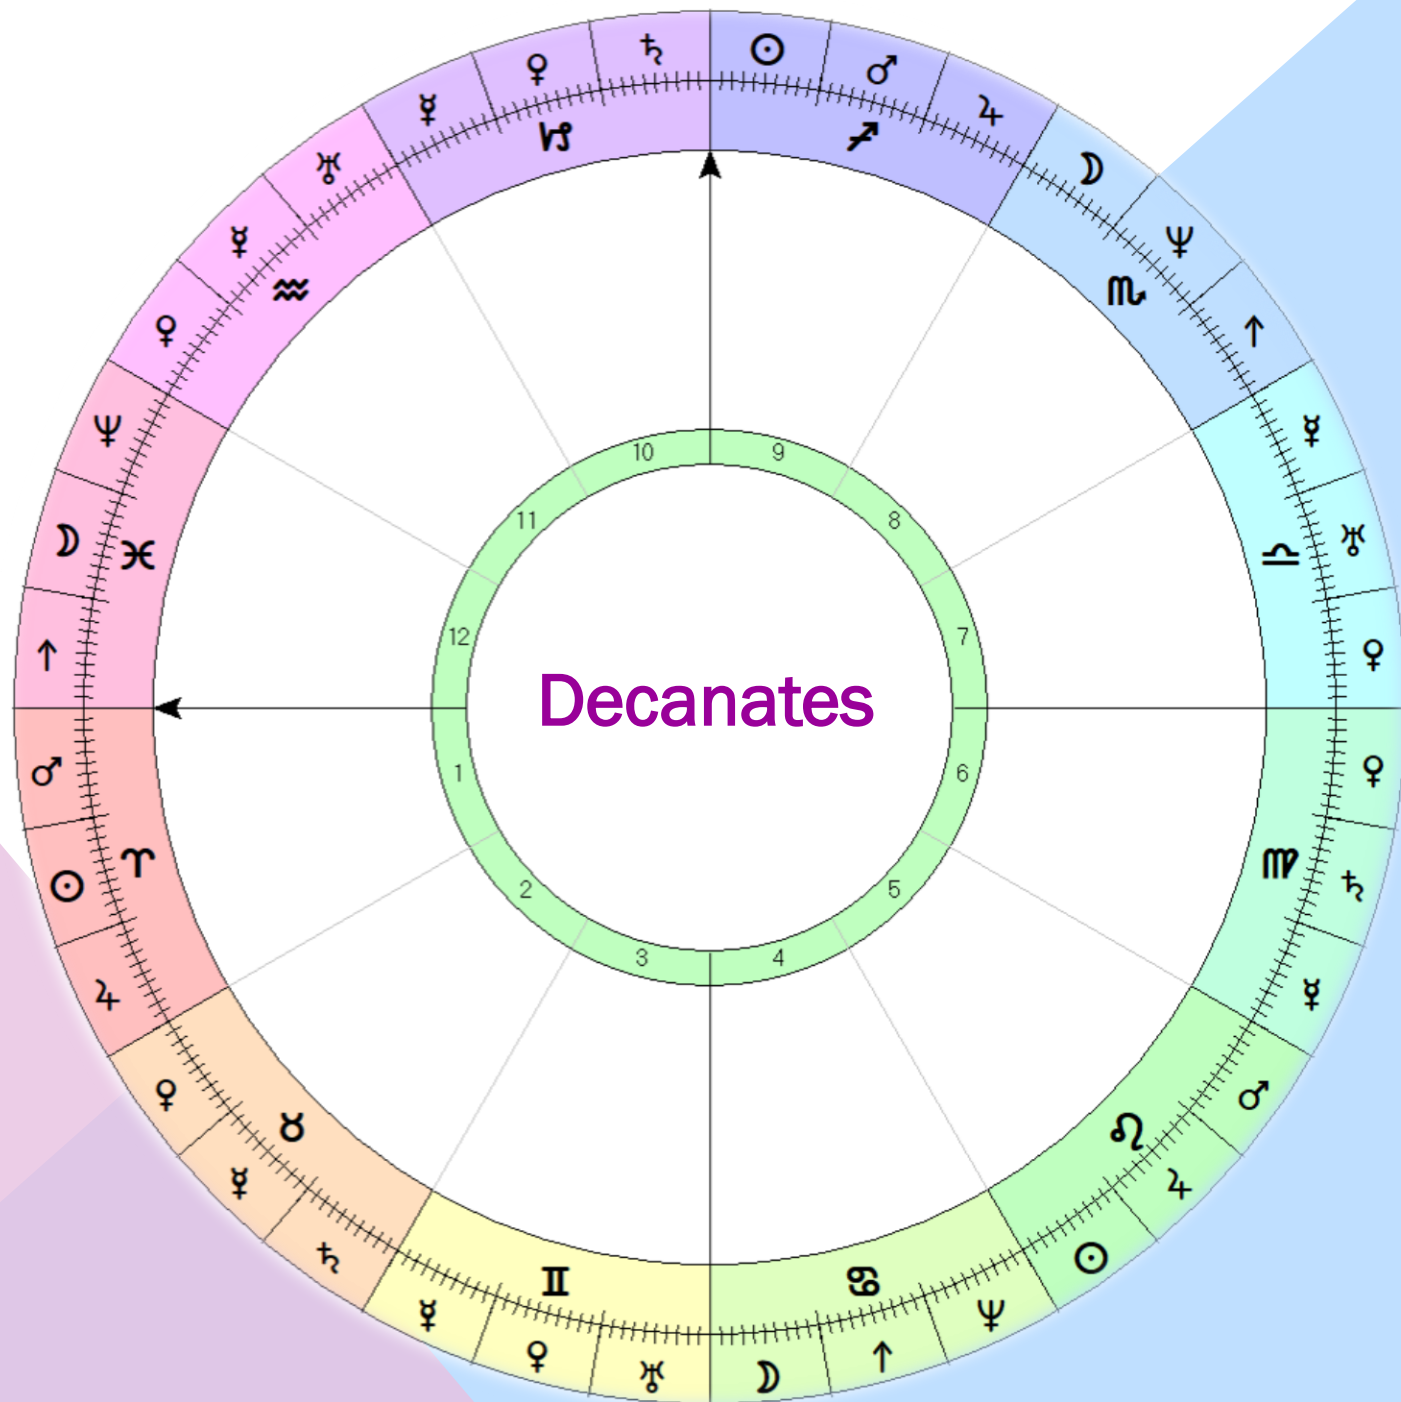

Solve your glamour by dwelling in the light and holding the mind steady in that light, and by learning to throw this light into the fogs of glamour on the astral plane.

The background of the image is a dramatic sky. It features a gradient from deep blue at the top to bright yellow and orange at the bottom, suggesting a sunrise or sunset. Wispy white and pinkish clouds are scattered throughout, and several bright, diagonal rays of light emanate from the center, creating a sense of divine inspiration or enlightenment.

Nothing in heaven or hell, on earth or elsewhere can prevent the progress of the man who has awakened to the illusion, who has glimpsed the reality beyond the glamour of the astral plane, and who has heard, even if only once, the clarion call of his own soul.

These are subtle connections, but any connection gives the opportunity to work on the task presented. Astrology isn't clear cut. One definition does not fit all.

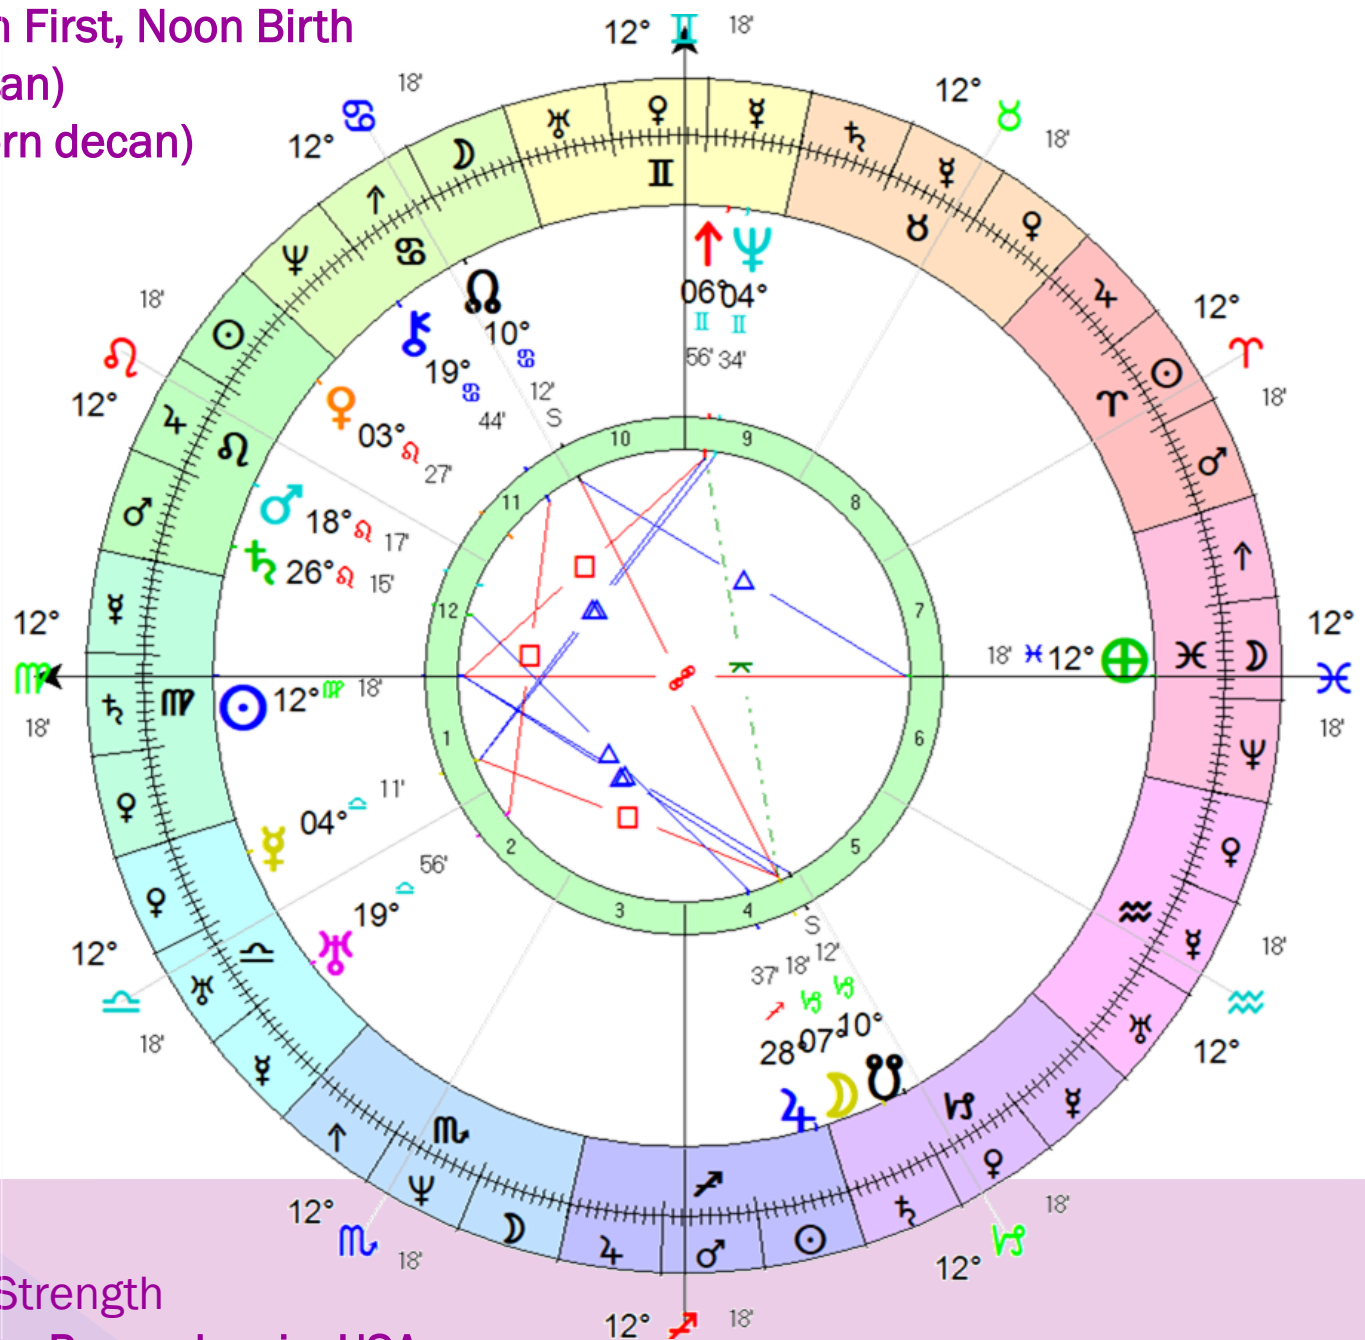

Each planet has to serve multiple roles, present on different levels (soul versus personality), maintain multiple relationships, mean something different at various different times in our lives.

I realise that you love your co-disciples and that you have a real devotion to me, your teacher; you love the path which leads to light but you and the others are still the dramatic centres of your own lives and you are too much the forceful actors upon your own stage, on which you each seek to play a leading part.

Subordination to group life, so necessary a factor in the work to be done, is as yet unappreciated.

The reason for this is you are dwelling as yet upon the astral plane. It is a high level of the astral plane but until you can shift to mental levels and there learn to hold the mind steady in the light, your sense of proportion must inevitably be wrong and the first and necessary things will not hold the first and necessary place.

Questions?

You may say I'm a dreamer, but I'm not
the only one. I hope someday you'll join
us. And the world will live as one.
