"It is not revealed through which signs of the zodiac the first or twelfth Creative Hierarchy pours forth its energy." -EA:50

"AUM," said the Mighty One, and sounded forth the Word. The sevenfold waves of matter resolved themselves, and varied forms appeared. Each took its place, each in the sphere ordained. They waited for the sacred flood to enter and to fill.

The Builders responded to the sacred sound. In musical collaboration they attended to the work. They built in many spheres, beginning with the third. Upon this plane their work commenced. They built the sheath of atma and strung it to its Primary. -TCF:9
